Article Numbers: 662716, 662714

Safety Instructions:

- Pay attention when handling lithium-ion batteries to avoid the risk of fire and explosion. If the batteries are leaking or damaged, contact specialised personnel immediately.
- Protect the device from water and moisture and avoid direct contact with water or other liquids during use.
- Check the cabinet regularly for damage and ensure that it is properly locked to prevent unauthorised access.
- Keep out of the reach of children to avoid the risk of suffocation or fire.
- Use only for the intended applications and intended use to avoid injury or damage.
