Article Numbers: 662740, 662739, 662738, 662737, 662736, 662735, 662734, 662733, 662732

Safety Instructions:

- Keep away from children to avoid choking hazards and possible dangers from swallowing small parts.
- Do not use the product as a toy and store it safely to prevent misuse and injury.
- Do not use magnets in the vicinity of electronic devices or medical implants to prevent interference or dangerous interactions.
- Magnets can cause injuries if handled incorrectly, e.g. due to strong forces, crushing or attraction to metallic objects.
- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Do not apply strong impacts or sharp edges to the magnets to avoid damage.
- Store magnets in a safe place after use to minimise the risk of swallowing or accidental ingestion.
- Take care when using on smooth surfaces to avoid slipping.
- Avoid contact with water, other liquids or heat to maintain adhesion and coating.
- Please ensure that the product is disposed of correctly in accordance with local regulations.
- Attach a warning that the magnets must not be swallowed.
- Discontinue use immediately if the magnets are damaged.
- Please note the maximum specified load capacity of 0.8 kg.
