Article Numbers: 662726, 662723

Safety Instructions:

- Risk of suffocation due to improper use of small parts and accessories.
- Acoustic shocks caused by sudden volume peaks, use of EPOS ActiveGard technology recommended.
- Avoid injuries caused by improper handling of the integrated device.
- Additional precautions for use in noisy environments due to active noise cancelling. Caution: In noisy environments, noise cancellation cannot eliminate all background noise.
- Special care must be taken for vulnerable groups such as children and people with disabilities.
- For use in professional environments; not suitable for children.
- Avoid operation in contact with water to prevent short circuits.
- Ensure that the cables are handled correctly to avoid tripping hazards.
