Safety Instructions:

- Choking hazard due to small parts if handled or used incorrectly. Not suitable for children under 3 years of age.
- Risk of injury from sharp edges or corners. Take care when handling.
- Risk of injury due to improper use of the doors or crushing points when closing the doors.
- Avoid overloading the bench seat and compartments to prevent tipping or damage. Observe the maximum authorised weights.
- Ensure that the locker is placed on a stable, level surface and use the level adjustment of the floor glides for stability.
- Keep the locker dry and clean regularly to prevent rust and odours.
- Use the security rotary bolt lock or cylinder lock option in accordance with the instructions for protection.
- Do not block the ventilation openings to ensure optimum air circulation.
- Tamper-proof construction in accordance with security level C as per DIN 4547. Use locking devices correctly.
- Read and follow the assembly instructions in order to assemble the locker correctly. Incorrect assembly can lead to unstable installation.
- Product is not intended for children under 14 years of age, should be placed out of reach of children.
- Use soft closing mechanisms and ensure proper handling to avoid injury.
