Article Numbers: 662832, 662831, 662830, 662829, 662828, 662823

Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed (potential choking hazard).
- Must not be put in the mouth, sucked or swallowed.
- Please empty and dispose of safely to avoid health risks for humans and animals.
- Intended for biowaste only. Do not use with other types of waste. Do not fill with non-biodegradable waste.
- Store safely and protect from direct sunlight to ensure material integrity and prevent fires.
- Keep away from heat and naked flames. Do not overheat or bring into direct contact with naked flames.
- Use only for the intended application for the disposal of biowaste.
- Not suitable for foodstuffs. Not intended for the storage of foodstuffs.
- Before use, ensure that no harmful chemicals are present.
- Keep away from children. Keep out of the reach of children as there is a risk of suffocation due to incorrect use.
- Improper use can result in health risks. When disposing of the bags, ensure that they are not filled with sharp objects in order to avoid damage. If used improperly, the product may tear; please store it correctly and handle it with care despite its high tearing properties.
- Select the product in the appropriate size to avoid overfilling.
