Article Numbers: 662893, 662892, 662891, 662890

Safety Instructions:

- Do not load with heavy or sharp objects to avoid injury and damage.
- Use the double handle system to prevent slipping when carrying and injuries.
- Do not overload; observe the maximum load capacity of 40 kg to avoid breakage or collapse. Observe the load capacity of 30 kg for heavy appliances to avoid injuries.
- Watch out for sharp edges to prevent damage to the carton or injury.
- Do not store or use the carton near open flames or extreme heat.
- Make sure that the box is securely closed to prevent it from being opened during transport.
- Do not use cardboard for storing food, as the corrugated cardboard is not food-safe.
- Keep the box in a dry environment to prevent mould growth and deterioration of the material.
- Not suitable for children, possible choking hazard due to small parts.
- Avoid moisture, as this could affect the stability of the carton.
- Ensure correct handling when carrying to avoid injuries due to overloading or incorrect lifting.
- Do not use for the storage of hazardous substances.
