Please note the technical data of the products!

Article Numbers: 662886, 662882, 662878, 662877, 662876

Safety Instructions:

- Caution: Small parts, not suitable for children under 3 years! Choking hazard due to swallowing.
- Supervise children during use to ensure that they do not put any parts in their mouths.
- Do not damage the product to ensure that there are no sharp edges or fragments.
- Avoid contact with water or other liquids to prevent corrosion or damage to the magnet.
- Caution: Magnets can cause serious injuries if swallowed by children.
- Do not place near magnetic fields.
- Take care when handling the underside of the magnetic surface.
- Do not use together with other metal objects to avoid injury from crushing.
- Ensure that the magnetic strength cannot be used at home to interfere with other magnetic devices.
- Caution with improper use due to risk of electric shock.
- Enclose safety information in understandable language.
