Safety Instructions:

- Please note that the load capacity of 50 kg must not be exceeded when removing heavy objects from the pull-out shelf.
- Make sure that the pull-out shelf is fitted correctly to avoid accidents or injuries.
- Keep the area around the shelf drawer clear to prevent it from tipping over during use.
- Take care not to open or close the pull-out shelf abruptly to avoid injury.
- The pull-out shelf should be used by children under supervision to minimise safety risks.
