Safety Instructions:

- Take care when handling the acrylic glass door incorrectly to avoid injury.
- The display case should be mounted or set up in a stable location to prevent it from toppling over.
- Be aware of possible allergic reactions when using the insert cards, as they may be made of different materials.
- The product is not suitable for small children as there is a risk of small parts and strangulation. There is a choking hazard due to the small components. Keep away from children.
- The display case is made of aluminium and has a tinted, lockable acrylic glass door, which poses a certain risk of breakage. Please handle and use with care.
- The display case should not be exposed to direct sunlight or extreme temperatures in order to avoid damaging the materials.
- Ensure that the door of the display case is always properly locked to keep the cards safe and prevent unauthorised access.
