**Article Number:** 168557

## Safety Instructions:

- Check that the markers and magnets are safe for children to avoid the risk of choking or injury.
- Keep the whiteboard away from heat sources and damp environments to avoid damaging the surface.
- Only use the recommended cleaning agents for the whiteboard to avoid damaging the surface coating.
- Secure the whiteboard properly to the wall to minimise the risk of it falling and causing injury.
- When handling the markers, follow the instructions for use and the safety instructions on the packaging.
