## Safety Instructions:

- Ensure that the printer is disconnected from the power supply before maintenance to avoid the risk of electric shock.
- Avoid using the printer in humid environments as this can lead to electrical problems.
- Protect the printer from overheating by ensuring that it is used in well-ventilated areas.
- Only use original toner and spare parts to ensure the safety and function of the printer.
- Read the operating instructions carefully to understand how to operate the printer safely.
- Keep the printer out of the reach of children and pets to avoid injury from improper use.
