Safety Instructions:

- Choking hazard due to small parts, especially if used incorrectly or stored within the reach of children. The product is not suitable for children under 3 years of age.
- Risk of injury due to improper use, especially if the cards or parts are used improperly.
- Ensure that the product is used for its intended applications and in accordance with the manufacturer's instructions in order to minimise safety risks.
- Provide product instructions for safe handling and storage.
- Avoid use at extremely high temperatures or in direct sunlight, as this can impair the material and visibility.
- Ensure that the product is properly secured to prevent it from falling and possible injury.
