Article Numbers: 403736, 403735, 403734, 403733, 403732, 403731, 403730, 403729

Safety Instructions:

- To minimise the risk of falling, do not leave objects on the cupboard system or the sloping roof extension.
- Do not store heavy objects in excess of the recommended load capacity to prevent overloading and damage.
- Regularly check the screw connections and stability of the attachment to ensure safety.
- During assembly, ensure that all parts are properly and firmly anchored to prevent injury or tipping over.
- The product is not suitable for children and should be kept out of their reach to minimise the risk of accidents and injury.
- Do not use the product in damp rooms and protect it from direct moisture to prevent rust formation.
- To avoid safety risks, do not use the product as a seat or use it if it is damaged.
- When using, place on a stable surface to prevent tipping over.
- Follow the enclosed installation instructions to ensure a safe and stable installation.
- Do not use abrasive cleaning agents for cleaning in order to avoid surface damage.
- Only suitable for the designated locker cabinets to ensure secure installation.
