Safety Instructions:

- ActiveGard™ technology protects against volume peaks. Use the headset at an appropriate volume to avoid hearing damage.
- Choking hazard due to the cable and small parts, especially for children. Keep the headset out of their reach.
- The headset is intended for professional use; improper handling can lead to damage to the electrical components.
- Avoid use in high humidity or near water to prevent short circuits.
- Risk of electric shock due to improper handling of electrical components.
- Safety information and clear instructions on how to use the appliance are necessary.
