### Safety Instructions:

- Use only recommended by adults or under adult supervision to avoid misuse. Unsuitable for children as the product is not designed for their use.
- Caution: High-voltage functions can cause electric shock. Risk of electric shock if the USB connection is handled incorrectly.
- The headset is not waterproof. Protect from moisture.
- In the event of repeated use over a long period of time, breaks are recommended to avoid ear fatigue. Observe noise protection instructions to avoid hearing damage.
- Make sure that the USB-C/USB-A cable is not damaged to avoid safety risks.
- Do not use the headset if it is visibly damaged or defective.
- Choking hazard due to small parts (e.g. microphone and cable).
- Do not use the device while driving or during other activities that require full attention.
