Article Numbers: 709960, 709959, 709958

Safety Instructions:

- Risk of electric shock if handled incorrectly. Avoid contact with water and other liquids.
- Do not damage, open or disassemble the battery/rechargeable battery as this can lead to fire, explosion or mechanical risks.
- Keep out of the reach of children and only use under supervision.
- Only use compatible or recommended chargers to avoid overheating, overcharging or fire.
- Regularly check the device for visible damage or wear. If the battery is damaged, deformed, overheated or leaking, stop using it immediately and dispose of it properly.
- Store the battery in a cool, dry place to extend its service life.
- Charge the battery in accordance with the manufacturer's instructions. If the battery overheats, stop charging immediately.
- Dispose of defective batteries in accordance with local regulations for hazardous substances.
- Batteries must not be thrown into water or fire, as this can lead to a risk of explosion.
