### Safety Instructions:

- Avoid injuries caused by improper handling; check that all parts are intact and functional.
- Wear protective gloves to avoid injury to your hands.
- Keep the strap spanner away from children to avoid the risk of choking on small parts. Not suitable for use by children.
- Use with excessive forces or in atypical applications can lead to damage. In the event of damage to the tool, discontinue use immediately.
- Ensure that the tool is used correctly and safely.
- Avoid contact with water or liquids to prevent slipping.
- Check for damage or wear before each use.
- Dispose of the tool in accordance with local regulations for metal waste.
