### Safety Instructions:

- Ensure that the panel is used in a dry environment to prevent corrosion. Avoid use in areas with high humidity or direct moisture to prevent damage.
- When mounting the panel, use suitable mounting materials and ensure that the wall mounting is carried out correctly to prevent it from falling down.
- Keep the board away from children to avoid injury from improper play. Safety instructions: Ensure that children do not play with the magnets to avoid the risk of suffocation. Not suitable for children under 3 years of age due to the risk of small parts.
- Take care not to place any heavy objects on the board to avoid damage.
- Caution: Risk of ignition if used improperly in the vicinity of heat sources.
- Avoid contact with electronic devices, as strong magnetic fields can damage them.
- The product should be mounted with a suitable wall bracket for safe use.
- Not suitable for outdoor use to avoid weather damage.
- Choking hazard due to magnetic parts that can be swallowed.
- The use of magnetic frames can lead to injuries if they are attached incorrectly. Only use the recommended materials to avoid damaging the surface.
- Risk of pain due to improper use.
