### Safety Instructions:

- Take care when using with impact screwdrivers and only use with compatible devices to avoid overloading or damage.
- Ensure that the bit is securely seated in the screwdriver and check that it is correctly seated before use to prevent slipping.
- Replace damaged bits in good time to minimise safety risks.
- Wear personal protective equipment (safety goggles, gloves) to avoid injury.
- Do not use near water or damp environments to avoid electrical hazards or corrosion.
- Keep the product out of the reach of children, as small parts can pose a choking hazard. Not suitable for children under 3 years of age.
- Only use for the intended use with suitable impact wrenches; follow the manufacturer's instructions exactly.
- It should be used under adult supervision when used by children.
- Keep the work area clean and well lit to avoid accidents.
- Take care not to overload the tool to avoid damage or injury.
- Check the integrity of the bit regularly to ensure safe use.
