Safety Instructions:

- Observe safety instructions in accordance with DIN ISO 1173.
- Use the product for its intended purpose to avoid damage or injury.
- When using impact screwdrivers, ensure a secure connection to prevent slipping.
- Only use compatible impact screwdrivers.
- The product is not suitable for persons under 14 years of age.
- Wear suitable protective equipment, such as protective gloves and safety goggles, to avoid injury.
- Keep the product away from children to avoid the risk of choking on small parts.
- Check the tool regularly for damage before use.
- Store the product in a dry place and protect it from moisture.
- Hold the bit correctly in the screwdriver to avoid injury.
- Do not use near water or in damp environments to avoid the risk of electric shock.
- Use only by adults and persons who are familiar with the correct use.
- Avoid excessive pressure or impacts to prevent material fatigue or breakage.
