Article Numbers: 708937, 708936, 708935

Safety Instructions:

- Always read and follow the instructions for use before use.
- Suitable for adults and not for children under 14 years of age.
- When using with electrical appliances, ensure that the bit is firmly seated to avoid injury.
- Wear suitable protective clothing to avoid injury from falling parts.
- Always wear suitable protective equipment, such as gloves and safety goggles, when using the tool.
- Do not use excessive force to avoid damaging the tool or the screw.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- The product is only suitable for use with Wera impact screwdrivers; improper use may result in injury.
- Take care when using impact wrenches, as excessive pressure or improper use can lead to injuries.
- Before use, ensure that the tool is in good condition and has no visible damage.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Please note that improper handling can lead to mechanical injuries.
