Article Numbers: 709146, 709145, 709144

Safety Instructions:

- Keep out of reach of children to avoid the risk of suffocation and injury.
- Ensure that the drill bit is firmly seated in the drill chuck during use to avoid injury.
- Wear personal protective equipment, including safety goggles and hearing protection, to avoid injury.
- Do not overload the drill; adhere to the recommended speed according to the manufacturer's instructions.
- There is a risk of electric shock if used incorrectly; never use the drill in wet areas.
- Read the user manual carefully and observe it to ensure safe use.
- Ensure that the tool is used for its intended purpose.
- Keep a safe distance from other people and avoid distractions.
- Check that the drill bit is undamaged and clean before use.
- Only use machines compatible with the drill and work at appropriate speeds.
