Please note the technical data of the products!

Article Numbers: 709423, 709422, 709421, 709420, 709418, 709417, 709416, 709415, 709413, 709412, 709411, 709410, 709408, 709406, 709404, 709403, 709402, 709401, 709400, 709398, 709397, 709396, 709395, 709394

Safety Instructions:

- Wear safety goggles and ear protection before use.
- Wear protective gloves before use to avoid injury.
- Deny access to children and unauthorised persons; not suitable for use by children.
- Only use in suitable machines to avoid possible overheating and injury.
- Ensure that the drill bit is correctly secured in the drill chuck to prevent it from slipping.
- Check the drill bit for damage or cracks before each use to avoid safety risks.
- Suitable for use by trained personnel, not for use by unauthorised persons.
- Keep the drill and the work area away from children to avoid injury.
- Wear protective clothing to prevent injuries from sharp edges.
- Check the drill for damage to prevent accidents.
- Do not operate if damaged.
- Follow the manufacturer's instructions for correct use and maintenance to maximise the service life of the product.
- Keep your work area clean and tidy to avoid accidents.
- Avoid contact with rotating parts to prevent injuries.
- Ensure that the drill bit is properly fixed during the drilling process.
- Use suitable personal protective equipment, including safety goggles and hearing protection.
- Use the product only for its intended use and in accordance with the instructions.
