Article Number: 710067

Safety Instructions:

- Only use the fire extinguisher for the specified fire classes A and B.
- Maintain a minimum distance of one metre from electrical installations up to 1000 V.
- Ensure that the fire extinguisher is serviced and checked regularly to ensure that it is ready for use.
- Keep the fire extinguisher in an easily accessible place, especially in areas with public traffic.
- Keep the foam pipe away from body parts and objects during use to avoid danger.
