Safety Instructions:

- This product is a category III personal protective equipment product and must be used in accordance with the applicable regulations.
- Make sure that the hearing protection fits properly on the head to ensure effective protection.
- Avoid using hearing protection in environments with potential hazards associated with the loss of hearing protection that does not remove the hazards.
- The hearing protection should be checked regularly for wear and damage.
- The product must be replaced if there are signs of damage or after the recommended service life has expired.
- Be sure to read and follow the instructions for use carefully to ensure safe use.
- This product is not suitable for persons with certain health restrictions. Consult a doctor in case of doubt.
