### Safety Instructions:

- Protect against noise: Wear the hearing protection according to the instructions to ensure optimum protection against loud noises.
- Do not throw the hearing protection into an open fire, as it may melt due to the heat.
- Check regularly for damage to the capsules and headband to ensure safety and effectiveness.
- Store the hearing protection in a dry place to ensure a long service life.
- If you experience any health problems or discomfort during use, remove the hearing protection immediately and contact a specialist.
