Article Numbers: 703019, 703018, 703017

Safety Instructions:

- Use hearing protection in accordance with the manufacturer's instructions for optimum effectiveness and observe the instructions for use in particularly noisy environments.
- The hearing protection is only suitable for the intended use and cannot adequately protect hearing if used improperly.
- Before use, check that the hearing protection dispenser is properly fitted, stable and refilled.
- Regularly refill earplugs to ensure that there is always sufficient protection.
- Keep the dispenser and its dispensing points clean and hygienic, especially thanks to the antimicrobial additive.
- For adult use only or use under supervision to avoid injury to children.
- Do not use if earplugs are damaged or contaminated and check all parts for damage before use.
- If you are allergic to the hearing protection materials, you should refrain from using them.
