Article Numbers: 709240, 709239, 709238, 709236

Safety Instructions:

- Keep out of the reach of children to avoid the risk of choking.
- Do not use or store near children to avoid the risk of choking on small parts.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Protect from sharp edges before use.
- Improper use can result in sharp edges that can cause cuts.
- Avoid contact with extreme temperatures or chemical substances.
- Protect from direct sunlight to avoid discolouration.
- Do not use cable ties near sources of ignition as they may melt or burn under extreme conditions.
- Only use the cable tie for its intended purpose.
- Do not load beyond the maximum tensile load of 275 N to avoid breakage.
- Caution: Cable ties can be pressurised during handling, which can lead to injuries.
- Ensure that the cable tie is correctly installed to minimise safety risks.
