Please note the technical data of the products!

Article Numbers: 709232, 709231, 709226, 709225, 709224, 709222, 709221, 709213, 709212, 709211, 709210

Safety Instructions:

- Not suitable for use by children - choking hazard due to small parts.
- The cable ties are not UV-resistant and are therefore not suitable for outdoor use. Direct sunlight can damage the material.
- Observe the maximum tensile load to avoid overloading and breakage (460N; 220N and 150N for other products).
- Self-extinguishing properties according to UL94 V2 standard offer protection, but are no guarantee of complete safety; be careful with heat and open flames.
- Do not use near open flames or heat sources - fire hazard.
- Functionality may be impaired if used outside the specified temperatures.
- Avoid inhaling vapours or dust, as there are health risks.
- Keep the product away from children to avoid the risk of choking.
