Please note the technical data of the products!

Article Numbers: 709545, 709544, 709543, 709542

Safety Instructions:

- Ensure that the equalising disc is correctly installed to ensure stability and to avoid mechanical injuries.
- Take care when handling the equalising disc to prevent cuts caused by improper handling.
- Do not use the shim disc for applications beyond those described, as use with unsuitable materials can be dangerous.
- Protect the product from moisture, direct sunlight and extreme temperatures to prevent corrosion or damage.
- Safety information and instructions for use must be carefully observed and suitability for use in conjunction with other materials must be checked.
- Designed for commercial use in industrial applications only.
- Not suitable for persons under the age of 16, as improper use may result in injury.
- Do not use the product improperly in order to avoid a possible hazard due to failure of the connection.
