Safety Instructions:

- This product does not provide full protection like a safety helmet and should only be used in work environments where helmets are not mandatory.
- The bump cap is not suitable for areas where there are serious mechanical hazards.
- Check the buckling and the fit of the cap on the head before use.
- It is recommended to check the cap regularly for damage and to replace it if it is visibly damaged.
- The product is not suitable for children.
- The cap is not intended as a means of protection against electrical hazards.
