Safety Instructions:

- Ensure that the product does not present any hazards during normal use.
- Avoid contact with water or moisture to prevent damage to the product and impairment of the function of the glass fibre tape.
- The product should not be used by children without proper supervision.
- Store the product away from extreme temperatures or direct sunlight to prevent material damage.
- If the housing or strap is damaged, take the product out of service immediately and return it for repair.
- Take care to use the tape measure correctly to avoid injury from improper use.
- The tape measure is not suitable for use in electrical applications. Keep your distance from electrical cables.
