Safety Instructions:

- Using the capsule tape measure in wet or damp environments can jeopardise safety.
- To avoid electric shock, do not use the tape measure in areas with electric cables.
- Keep children away from this product to prevent injury from unauthorised use.
- Make sure that the tape measure is checked before use to ensure that there is no visible damage.
- Avoid returning the tape measure quickly to prevent injury.
- Observe the safety instructions regarding the risks of improper use.
- Not suitable for children under 3 years, as small parts may be included.
- The housing protects against damage, but handle with care.
- Only use the tape measure for its intended purpose.
- Environmentally friendly disposal in accordance with REACH and RoHS directives.
- Do not use immediately if the belt is damaged.
