## Electrician's protective shield 7 ka ASCHUA

**Manufacturer/Responsible Person:** Rudolf Uhlen GmbH, Am Höfgen 13, 42781 Haan, Deutschland

**E-Mail:** info@aschua-uhlen.de

Please note the technical data of the products!

**Article Number:** 709445

### Safety Instructions:

- Always wear the electrician's safety shield in the specified helmet attachment.
- Avoid contact with uninsulated electrical parts.
- The protective screen is only suitable for use up to a maximum voltage of 1000 V.
- Make sure that the protective screen is not mechanically damaged before you use it.
- The use of the protective shield during welding work is not recommended.
- Regularly check the integrity of the material for cracks or discolouration that could indicate material fatigue.
- Keep the protective screen dry and store it in a cool, sheltered place.
