### Safety Instructions:

- Caution: This helmet is suitable for protection in extreme temperatures. Only use it within the specified temperatures of -30 °C to +150 °C.
- The helmet offers protection against metal splashes and is designed for use in hot areas. Use an additional face shield to ensure maximum protection.
- This helmet is electrically insulated up to 1,000 V AC. Take care not to use it in the vicinity of exposed electrical cables.
- The helmet should be adjusted correctly to ensure a secure and comfortable fit. Check the fit regularly while wearing the helmet.
- Before first use, ensure that there is no visible damage to the helmet. Do not use if damaged.
- Observe minimum head circumference of 51 cm and maximum circumference of 64 cm to ensure correct use.
- Avoid using the helmet in hazardous environments if it shows visible wear or damage.
