Safety Instructions:

- Avoid risk of suffocation due to pull-down visor and improper fitting of the helmet for children.
- Prevent accidental dropping of small parts.
- Ensure protection at extreme temperatures down to -30 °C; do not wear for long periods.
- Ensure correct adjustment of the 6-point harness straps for optimum protection.
- Use and fit hearing protection in accordance with the safety instructions.
- Observe the warning notice in the event of improper use to avoid injury.
- Protection against falling objects only guaranteed if used properly.
- Use at extreme temperatures may impair safety.
- Visor can dazzle if not adjusted correctly. The setting must be checked.
- Regular inspection of the helmet equipment necessary, check for cracks or damage.
- Always wear with additional protective measures in hazardous environments.
- Do not use for applications outside the instructions.
