Safety Instructions:

- Make sure to use the alignment rod safely to avoid injuries caused by improper use.
- Avoid using the alignment pole in any way that could lead to it tipping over or being overloaded.
- The PVC coating can wear out under extreme conditions; check the condition of the pole regularly.
- The plug-in design requires a proper connection; make sure all parts are tight to avoid the risk of accidents.
- The product is not suitable for children; improper use by children can lead to injuries.
