Safety Instructions:

- Ensure that the saw blade is correctly and securely attached.
- Wear safety goggles and protective gloves to avoid injury from flying chips and sharp edges.
- Do not work with the saw blade on a hard surface to avoid damage.
- Do not use the saw blade if it is visibly damaged or worn. Check the saw blade regularly for damage or wear.
- Secure slippery materials well to prevent them from slipping during cutting.
- Use the saw in a stable and safe working area.
- Only use the reciprocating saw if you are familiar with the handling of electrical tools.
- Always wear suitable personal protective equipment, including safety goggles and gloves.
- Keep children and unauthorised persons away during use. This product is not suitable for children.
- Only use the product for the intended materials (wood, metal, plastic).
- Switch off the tool and pull out the plug before carrying out maintenance work or changing the saw blade.
- Caution: Sharp blades, risk of injury.
- Read the safety instructions carefully before use.
- Risk of cutting when working with the saw blade.
- Do not tilt or increase the pressure abnormally during cutting.
