Safety Instructions:

- Use personal protective equipment, including safety goggles and gloves, when cutting cement cast iron.
- Ensure that the saw blade is correctly mounted in the S-shank reciprocating saw to avoid injury.
- Keep the work area clean and free of obstacles to prevent falls and accidents.
- Only use the product for its intended purpose in order to avoid hazards due to improper use.
- Regularly check the condition of the saw blade for damage to ensure that it is working safely and effectively.
- Store the saw blade in a dry place to prevent corrosion and extend its service life.
