Safety Instructions:

- Use suitable protective equipment such as safety goggles and gloves to avoid injury.
- Do not use the hole saw if the drill bit is not correctly secured.
- Keep the product out of the reach of children as there is a risk of injury.
- Check the hole saw for damage before each use and replace it if there are signs of wear.
- There is a risk of injury from sharp edges if used incorrectly.
- Keep the working environment clean and free from distractions.
- Secure the workpiece to prevent it from slipping during drilling.
- Only use the product in accordance with the manufacturer's instructions.
