Article Numbers: 709563, 709561, 709560, 709559, 709558, 709557, 709556, 709555

Safety Instructions:

- Keep the cap out of the reach of children and away from small children to avoid the risk of suffocation.
- Protect the product from extreme temperatures, direct sunlight and moisture to ensure material integrity.
- Caps are not suitable for safety-related applications and should not be used in the vicinity of naked flames or heat-producing appliances.
- Do not use the product in contact with food.
- Ensure correct installation: Carry out all assembly steps precisely to prevent the caps from falling out.
- Caps should only be handled by adults with the correct tools, as improper use can lead to injuries.
- Not suitable for children under 3 years due to small parts that can be swallowed.
- Only use the caps in accordance with the application instructions, as improper use can cause damage.
- The caps should be kept dry, as moisture can weaken the material.
