Safety Instructions:

- Always use suitable protective gloves and safety goggles to protect your hands from injury.
- Ensure that the spanner is correctly positioned on the screw to prevent it from slipping.
- Avoid excessive force to minimise the risk of injury from sudden slipping.
- Only use the tool for its intended purpose in order to avoid safety risks.
- There is a risk of injury if the tool is used incorrectly or damaged.
- Product is not suitable for children and should be kept out of their reach.
- Do not use in areas with high temperatures or flammable materials.
- Read and follow the instructions for use before use.
- Keep the work area clean and free of obstacles to avoid accidents.
- Store the tool in a dry, safe place to prevent corrosion and injury.
- Be aware of the risk of crushing when using in confined spaces.
- Do not use for work on pressurised systems or in hazardous environments.
- Ensure regular inspection of the tool to prevent damage.
