Safety Instructions:

- Wear suitable protective gloves and safety goggles to avoid injury during use.
- Keep the tool out of the reach of children.
- Check the tool for damage before use and replace if worn.
- Only use the tool for its intended purpose and in accordance with the manufacturer's instructions.
- Keep the work area clean and free of obstacles to avoid accidents.
- Do not use the tool if it is damaged or malfunctions.
- The tool should only be used in a dry environment to minimise the risk of electrical accidents.
- Store the tool in a dry place to prevent rust from forming.
- Avoid excessive force or improper handling to prevent breakage or injury.
- Make sure that it is used by suitable persons and is intended for commercial purposes.
- Keep a safe distance from moving parts and read the instructions for use.
- Not suitable for children; observe protective measures before use.
