Safety Instructions:

- Ensure that the safety goggles are put on correctly to guarantee optimum protection.
- Avoid contact with chemical substances that could damage the lens.
- The goggles must not be used in areas where 'exposure relevant risks' exist that are not covered by the standard norms EN 166 and EN 170.
- Check regularly for damage and replace the glasses if they are cracked or scratched.
- The safety spectacles are not suitable for spectacle wearers without prescription lenses.
- These goggles are not designed for use in the vicinity of naked flames or extreme temperatures.
- Eye protection is not guaranteed if used incorrectly.
