Safety Instructions:

- All instructions in the operating instructions must be observed when using the safety goggles.
- The safety goggles are not suitable for hazardous environments without additional protective equipment.
- Keep the safety goggles away from children to prevent misuse or damage.
- Check the anti-fog coating regularly and do not use the goggles if they are damaged.
- Do not use the safety goggles if there are signs of cracks or damage.
- Only clean the safety goggles with the recommended cleaning agents to protect the coatings.
- Do not use safety goggles as a toy.
- Check the compatibility of the safety goggles with other protective equipment such as hearing protection.
- If damaged, stop wearing the glasses immediately and replace them.
- Protect the glasses from impact and improper storage.
- Only wear the glasses in areas with prescribed eye or face protection with additional safety precautions.
