Safety Instructions:

- Before using the spectacles, make sure that the dioptries correspond to your personal requirements.
- The glasses are not a protective device against hazardous substances or mechanical influences. Suitable protective measures must be taken when using them in hazardous environments.
- Check the glasses regularly for damage. Damaged glasses must be replaced immediately.
- When used in conjunction with earmuffs, ensure that the correct fit of the glasses is not impaired by the headphones.
- The safety spectacles are not suitable for children as they can cause misfitting or injuries.
