Safety Instructions:

- Always wear the safety goggles during use to protect your eyes from splinters, dust and chemicals.
- Regularly check the condition of the glasses for cracks or damage and replace them if necessary.
- Make sure that the glasses fit well to ensure optimum protection and avoid pressure marks.
- Do not use the glasses outside the intended area of use (automotive, food, sport) and only use them for their intended purpose.
- The safety goggles are not suitable for children as they are not designed for their size. Keep the goggles out of the reach of children.
- Clean the glasses according to the manufacturer's instructions to ensure clear vision.
- The safety goggles do not replace other safety measures such as wearing respiratory masks.
- Do not use the glasses in combination with non-certified products or chemicals.
