Safety Instructions:

- Always wear a suitable helmet and other personal protective equipment when using safety goggles.
- Before use, check that the safety spectacles are undamaged and have no cracks or damage.
- The safety goggles are only suitable for the intended use in industrial, construction and transport areas.
- The safety spectacles are not intended for use in the medical field or as eye protection for chemical substances.
- In the event of discomfort or feeling unwell during use, remove the safety goggles immediately and consult a doctor.
