Safety Instructions:

- Always wear safety goggles when you are in potentially hazardous working environments.
- Make sure that the safety spectacles are correctly adjusted to ensure optimum fit and protection.
- Regularly check the lenses for scratches or damage that could impair vision.
- Store the safety goggles in a special case to prevent damage.
- Only clean the lenses with suitable cleaning agents so as not to damage the surface.
- The safety goggles are intended for personal use and must not be used by more than one person.
