Safety Instructions:

- Impairment of vision due to inadequate protection against mechanical impact.
- Risk of suffocation due to improper use or loss of the safety goggles.
- Only use the safety goggles for their intended purpose, ideally in a working environment with additional protective measures.
- Check the glasses for cracks or damage before each use.
- Clean the goggles according to the instructions so as not to damage the K&N; coating.
- Wear the glasses in hazardous environments where eye protection is required.
- Keep the glasses out of the reach of children.
